- A. Monday
- B. Tuesday
- C. Thursday

Selected Response (SR) Sample Items Grades 1 and 2

2. Tommy used his linking cubes to make the letter T. Next he wants to make the letter L.

Can he use the same cubes he used to make the letter T to make the letter L?

- A. Yes, he can take the linking cubes apart and rearrange them to make the letter L.
- B. No, he will not be able to make the letter L because he does not have any round linking cubes.
- C. No, he can't make the letter L because you can only make one object from a set of linking cubes.
